What is PTO?

PTO stands for Parent Teacher Organization. The PTO consists of parents and teachers working together to support and enrich the education of all students at Jonesburg Elementary. We support school staff, help promote student self-esteem, and assist efforts to solve school needs through volunteers and funding. We strive to create an atmosphere where teachers, administrators, and support staff can do their best work with the best resources – and so can our children. There's so much more that can be done at Jonesburg Elementary and we need your help. Please consider joining PTO this school year!
